

Honor Someone

Do you know someone who was impacted by displacement or once sought refuge that you would like to honor through a fundraiser? Or perhaps you are/were an aid worker who has seen the situation affecting modern refugees up close. Whatever your reason, starting a fundraiser in honor of someone is quick and easy to accomplish - and very impactful for donors and refugees alike.

In-Sight recommends a few ways that you host a fundraiser in honor of someone:

- Create a GoFundMe Campaign (recommended)! To start your own campaign on behalf of In-Sight, click [here](#).
 - Select "Start a Campaign"
 - Choose to "Create a Campaign" or "Join a Campaign"
 - Create a title, fundraising goal, and campaign story.
 - Set up the settings in a way that fits with your campaign's plan and don't forget to hit "publish" to make your campaign live.
 - Share the campaign on social media, email it to friends and family, and use other creative ideas to hit your fundraising goal!
- Host a Venmo Fundraiser. This is a quick and easy way to get small donations from a large number of your close friends, colleagues, and family members.
 - Venmo request those in your circle with a message stating why you're raising money, or
 - Post your Venmo handle on your social channels with a message about why you're raising money for the campaign. Transfer the amount raised afterward to In-Sight through our [Paypal](#), [GoFundMe](#), or contact us at info@in-sightcollaborative.org for wire transfer details.

Please email info@in-sightcollaborative.org if you need assistance running your campaign. We love hearing about fundraisers that are happening on behalf of In-Sight and would love to highlight your efforts!
